The following procedures have been adopted by the Audit Committee of the Company to govern the receipt, retention and treatment of complaints regarding the accounting, internal accounting controls or auditing matters of the Company and to protect the confidential, anonymous reporting of employees' concerns regarding questionable accounting or auditing matters or breaches of the Code of Business Conduct and Ethics.

POLICY

It is the policy of the Company to treat complaints about accounting, internal accounting controls, auditing matters or questionable financial practices (an "**Accounting Complaint**") and about alleged breaches of the Code of Business Conduct and Ethics (an "**Ethics Complaint**") seriously and expeditiously. The Audit Committee, populated by independent members of the Board of Directors, is given primary responsibility for ensuring that appropriate processes and procedures are in place to enable the reporting of Accounting Complaints and Ethics Complaints by employees, who are often the first to become aware of any such occurrence. Employees may elect to report an Accounting Complaint or Ethics Complaint on an anonymous basis. If so requested by an employee making an Accounting Complaint or Ethics Complaint, the Company will protect the confidentiality and anonymity of the employee to the fullest extent possible, consistent with the need to conduct an adequate review.

In accordance with this policy, employees will be given the opportunity to file Accounting Complaints, which include the following:

- fraud against investors, securities fraud, mail or wire fraud, bank fraud, or fraudulent statements to securities regulators or members of the investing public;
- violations of the rules and regulations of securities regulators applicable to the Company and related to accounting, internal accounting controls and auditing matters;
- intentional error or fraud in the preparation, review or audit of any financial statement of the Company; and
- significant deficiencies in or intentional non-compliance with the Company's internal accounting controls;

and Ethics Complaints concerning activities contrary to the Company's Code of Business Conduct and Ethics.

Accounting Complaints and Ethics Complaints will be forwarded to the Chair of the Audit Committee to be reviewed by and subjected to such action as the Audit Committee may determine. The Audit Committee is empowered to utilize outside expert advice in assessing Accounting Complaints.

The Company has engaged an independent third party to handle Accounting Complaints or any part of the process, the Company shall ensure the third party complies with these policies and procedures.

The Chair of the Audit Committee or the Audit Committee itself may reserve the right to carry on an investigation should the facts or situation warrant.

If determined necessary by the Audit Committee, the Company shall provide for appropriate funding with regard to the necessary resources for the conduct of an appropriate investigation, including the retention of outside experts. The person or persons assigned to investigate any Accounting or Ethics Complaint will report their findings or recommendations to the Audit Committee, including any recommended appropriate disciplinary or corrective action which the investigator may feel is appropriate in the circumstances.

The Chair of the Audit Committee shall update, to the extent necessary, the Audit Committee at each and every meeting of the Audit Committee as to the status of any outstanding investigation(s) pertaining to Accounting or Ethics Complaints and receipt since the prior meeting, of any new complaint(s).
